Appeals Procedure

Runway aims to provide the very best service to learners and potential learners and has developed a straight-forward appeals procedure to ensure that appeals are dealt with as efficiently and effectively as possible.

Our appeals procedure demonstrates the way in which appeals should be reported, and how can expect appeals to be handled. Runway Training will ensure that no learner is subject to unfair discrimination on any grounds in relation to access to assessment and the fairness of assessment.

If an occasion should arise where a learner is not satisfied with their Assessor's or tutor's decisions they are encouraged to apply the following Appeals Procedure:

- 1) In the first instance, always try raise an appeal with your assessor or tutor, whether you wish to appeal a decision that has been made by either the Centre or by the Awarding Organisation. To submit a case for appeal please use the attached appeals form. You will receive a response to your appeal within 3 working days and if you are not satisfied with the outcome then please follow Step 2.
- 2) If you are still unhappy with your assessor's or tutor's decision and explanation you should contact your Internal Quality Assurer. The IQA will review your concern and the evidence and either support or overturn the Assessor's decision. From receipt of your appeal, you can expect a decision within 5 working days.
- 3) If you are still unable to resolve your appeal then please contact the Quality Manager providing full details in addition to your existing appeals form by any of the following channels:

By email: elainehighwood@runwaytraining.co.uk

In writing: Quality Manager
Runway Training
190 High Street
Tonbridge

TN9 1BE

Appeals form: Collected from the Runway office or can be emailed or posted to you. There is also a copy attached to this document.

Telephone: 01732 402 402

When submitting an appeal, it is helpful if you give as much information as possible and include steps that you have taken in pursuing your appeal, any discussions that you have already had about the matter, attach copies of any earlier correspondence and state clearly what remedy, if any, you are seeking.

On receipt of your appeal case, the most appropriate Manager will be assigned to investigate and will contact you as soon as this is complete. This would normally be within 10 working days but can sometimes take longer. If at any time, however, you would like information concerning the investigation you may contact the HR Department directly.

You will be contacted by your preferred method (by email, 'phone or in writing) with the results of the investigation into your appeal. At this time you will be asked whether you are satisfied with the outcome and will have the opportunity to ask any questions regarding the investigation. If you are satisfied with the outcome the appeal case will be closed.

Appeals and the Awarding Organisation

When first discussing your appeal with your assessor or tutor they will advise as to whether it is a matter for the External Quality Assurer for the Awarding Organisation which who you are undertaking your qualification. Runway Training will assist you in the appeals process and will refer you to the relevant Awarding Organisations appeals procedure.

Appeals of External Assessments

An appeal may be lodged on behalf of a learner or a group of learners, with the explicit written permission of that learner / group of learners.

To appeal a report will need to be submitted as to why the appeal should be considered, together with any supporting evidence. Appeal applications without supporting evidence may not be accepted.

The report should include the following:

- the centre name, address and number
- the learner's name(s) and registration number(s)
- the date of the assessment
- the date(s) that the notification of the Awarding Bodies assessment decision was received
- the nature of the service affected and / or the title and number of the programme affected
- the full nature of the appeal
- the contents and outcome of any internal investigation carried out by the centre or learner(s) relating to the issue
- the date of the report
- the name, position and signature of the person making the appeal

Appeals cannot be accepted after **30 working days** from the date the centre was informed about the original decision.
